# Thank You!

*Thank you for a great day –  
and for being part  
of the great web of life  
we are weaving for our  
Mercy Haven Community.*

*Many Blessings to you,  
S Pat*

Mercy Haven's mission is to engage and support Long Island's most at-risk residents. Through advocacy, housing, supportive services, education and outreach we offer the community a place to experience and practice compassion.

*“This we know. The earth does not belong to the people. People belong to the earth. This we know. All things are connected. Whatever befalls the earth, befalls the people of the earth. We did not weave the web of life. We are but a mere strand in it. Whatever we do to the web, we do to ourselves.”*
