PLEASANT GARDENS
VISITORS PROCEDURE

- Visitation Monday through Friday 10am to 4pm by appointment only.
- Visitation on Saturday and Sunday 9am to 11am or 1pm to 3:30pm by appointment only.
- Visitation is weather permitting and can be terminated due to non-compliance with below.

Visitors will be expected to do the following:

1. Visitors will provide at least 24 hours notice of visitation to facility to ensure adequate staffing, and to ensure that there are no conflicts with other visitations. All visitation must be approved by facility (weather permitting). There will be only 2 visitors allowed per resident, one being at least 18 years of age.

2. Visitors are asked to be on time and to call facility if they will be late to avoid any conflicts with other visitors (time may have to change is there is a conflict due to your lateness).

3. Visitors will complete COVID questionnaire and have their temperature taken by any staff on duty and asked to properly sanitize their hands using State issued sanitizer. (Visitors can be refused access if they refuse to any of the above or have had a possible exposure).

4. Visitors will be required to wear face mask/coverings at all times of visit.

5. Visitors will be informed of designated outdoor area for visit, and asked to wait for their party to arrive.

6. Visitations will be limited to 30 minutes (extensions can be made if there are no conflicts, but is not a guarantee).

7. There will be no physical contact among Resident and Visitors at this time.

8. If visitor is bringing a meal, it will be enjoyed outside. All trash must be placed in the outside garbage and not brought into facility. (Please provide all necessary utensils.)

9. Once visitation is complete, staff will escort the resident into house where he/she will sanitize their hands.
